Thinking About Summer?

Summer lessons are scheduled as you choose and ALL packages include 45 minute lessons. See our corresponding flyer for more information!

*CMM does our very best to retain top teacher talent and if a teacher moves on, we conduct a thorough search. Sometimes that means bringing someone in from out of state! To the very best of our knowledge, we do not have any teachers leaving for next year however, I cannot guarantee this. We always support our faculty if/when they move on to other professional engagements. If your teacher does in fact move, we will provide a replacement teacher of your choosing.
